Attorney Docket No.: 4061.007

**Petition to Correct Filing Date and Date-In Discrepancy**

Pursuant to MPEP §1013, 37 CFR §1.10(c), and all other applicable provisions, applicant hereby petitions for correction of the filing date in this matter. This official filing receipt incorrectly lists the filing date as August 6, 2001. The correct date is August 3, 2001, which is the date-in listed on the Express Mail filing receipt.

As set forth in MPEP §1013, a Petition to Correct Filing Date and Date-In Discrepancy should: (a) be filed promptly after the person becomes aware that the Office has accorded, or will accord, a filing date other than the U.S. Postal Service (USPS) deposit date; (b) include a showing that the number of the "Express Mail" mailing label was placed on each piece of correspondence prior to the original mailing; and (c) include a true copy of the "Express Mail" mailing label showing the "date-in" or other official notation by the USPS.

The present petition meets all three requirements. As per requirement (a), this petition is being submitted promptly after counsel has become aware, in connection with counsel's review of the Notice to File Missing Parts, that the Office has accorded a filing date other than the USPS

deposit date. As per requirement (b), the Express Mail label number was placed on the transmittal letter prior to the original mailing. A copy of the first page of the transmittal letter (listing Express Mail Label No. EL 742679013 US on the top line), is enclosed. As per requirement (c), a true copy of the "Express Mail" mailing label, showing the "date-in" of August 03 2001 stamped by the USPS, is enclosed as well.

Although not required, counsel has also included a copy of the tracking information from the United States Postal Service website. It appears that after counsel's deposit of the application, the USPS attempted delivery at 7:20 a.m. the next day (August 4, 2001) and left a notice with the USPTO.

Accordingly, correction of the filing date to August 3, 2001 is respectfully requested.
